

The Circle of Wisdom

Celebrating life by sharing its pivotal teachings

Are you 70 or over?

Summarize the essence of your life in a sentence, a couple of paragraphs, or a brief meaningful anecdote.

Send your nuggets of wisdom and leave an indelible mark of your life's journey.

The collection will be published once all contributions have been reviewed. The selected participants will then receive a copy.

A call on the wiser generation to share its own truths.

An opportunity for the next generation to treasure their experience.
